COMMUNITY TRAIL PLANNING MEETINGS

The Salmo Valley Trail Society will be hosting two community meetings this fall. We want to hear from you! Do you know about the Salmo ski hill project and what do you think? What other trail projects should be our priority for 2015? What trail opportunities are missing in our communities? What would it take to get you involved with the society?

The board of directors have all sorts of questions but we want our communities to answer them for us. So come join us in Salmo or Ymir, or both if you are really keen!

TREATS & REFRESHMENTS!
